HOT POOL PARTIERS

PUT ON THAT SMOKING JACKET YOU HAVE STUFFED AWAY IN THE BACK OF YOUR CLOSET. PULL OUT THAT VINTAGE SMOKING PIPE OF YOUR DAD'S AND KICK BACK IN YOUR FAVORITE RECLINER AND ENJOY A READ LIKE THE DAYS BEFORE THE INTERNET. NOTHING IS MORE EXCITING THAN TIME ALONE WITH YOUR IMAGINATION.

Finally, Saturday arrived and I was excited about Larry's pool party. I had worked hard and many late nights this past week so a day to play was really needed about now. My name is Shelly and I'm one of the night managers at the large restaurant that Larry owns. That's where most of the people here at the party work. His house was pretty amazing but not too large, but it was very tastefully decorated. As Larry showed me around he was not pretentious and his confidence filled the air. He was obviously successful and enjoyed his life. We concluded the tour and headed outside. The pool was quite large and curvy with a bubbling Hot tub at one end. At the pool everyone was already in bathing suits, standing around sipping various types of drinks.

Mike, my immediate boss, and Liz, his wife, were there as was Emma the weekend manager. Nearby were two handsome dark-haired men that I did not recognize talking with a stunning blonde girl in a red thong bikini. Larry introduced the two guys as Josh and Sam. They were old friends of Mike's and they were in town for awhile. The blonde showed no tan lines obviously from frequent nude sunbathing. Then he introduced me to the blonde. I learned that her name was Amber and that she was Larry's current girlfriend. Larry then showed me to the cabana where I could change into my bathing suit.

The little blue bikini that I had brought was very modest compared to some the bikinis worn by other women. I slathered some lotion on me and went out to join the party. Everyone was pleasant enough and I thought I fit in pretty well. As I looked around, some were dipping in the pool, others had congregated in the hot tub. As the day turned to late afternoon, more drinks were consumed and more sloppy walking and talking were taking place. A hand that bumped into my butt or breast or thigh were probably not as

accidental as made out to be. Strangely, I was getting turned on by all the casual touches.

A couple more hours passed and the sun was setting. The crowd had thinned out a bit, but there were still quite a few people there. They had broken off into small groups. I noticed that the two couples made their way into the house with Larry. Josh and Sam were openly fondling Amber's exposed buttocks as she giggled and swished her ass in fake protest. Liz and Emma were in the hot tub sitting very close to each other and Emma was squirming indicating that Liz's hands under the water may be the cause of it. Mike approached me and I anticipated him taking me some place where he could fuck me. I only hope the booze was making me thnk that. Mike was nice enough and had always been pleasant to me at the restaurant. I thought there were times he looked at me in a rather unprofessional way. Not that I didn't mind.

He pulled me aside by the pool's outdoor bar and whispered to me that things were going to get a little more out of hand and perhaps I wasn't ready for it. I asked what he meant by that but he said he'd tell me at work on Monday. I decided he wasn't going to tell me so I agreed to go home. Mike gave me a peck on the cheek and I went back into the cabana to change out of my swimsuit. I was tempted to pretend to leave and sneak back to the house so that I could spy on the others. However, I remembered what Mike said and I was worried about the consequences of getting caught. On the drive home I tired to imagine what was going on with all those beautiful women. One part of me wished I had stayed while the other part told me I did the right thing by leaving. I was turned on by my erotic thoughts and images. Now I wish I had stayed at the pool party.

The next day I took care of myself because I had a bit of a hangover. I spent most of the day reconstructing yesterday and what happened after I left. Why was Mike so protective. Anyway, so I go to work Monday morning and it was an uneventful day. That evening I did not see Mike and I was disappointed to learn that he would not be back until Friday. As my shift ended, I saw Liz in the back office reviewing some paperwork. I poked my head in to say hello and goodnight. She said she had just finished and invited me to go to her place for a glass of wine. I hoped that we would be doing more than drinking wine, so I agreed and we headed out. The evening was harmless, just a lot of girl talk and I went home about midnight

Friday rolls around and when I arrived at the restaurant, I was surprised to find Emma there. Liz told me that Mike had asked Emma to cover for me so that she and I could go over to Mike's place. That was fine with me and allowed more time with Mike and Liz, I thought. We drove over to their condo, parked and went inside. Mike was there to greet us with glasses of wine. We talked for a short while and finally ended up naked in Mike's bed. Mike's fully

inflated cock protruding from his hips straight up was a very enticing sight and I moved immediately to crouch over the bulbous head. Mike held onto my hips as Liz separated my labia lips as I gently lowered my self upon his stiff manhood. Inch after inch of his fantastic cock gradually disappeared with in my moist pussy. I leaned forward to kiss Mike and his tongue thrust deep into my mouth. Liz stroked my back and reached under to fondle my breasts and gently pinch my nipples. The sensation of being filled with all of Mike's eight inches was incredible occasionally he would buck his hips upwards driving his bloated cock even further into my pussy.

Liz started kissing me deeply, plunging her tongue in my throat as she continued to massage my boobs and tweak my hard little nipples. I was so consumed with lust that I did not notice another figure getting on the bed. Liz had grabbed Sam's cock with her fingers and guided the engorged head into my mouth. I was so surprised that I let him slowly fuck my face. Now for the first time I had two real cocks in me at the same time and I found it exciting in a nasty way. I started bobbing my head on his cock as Mike thrust up into

my pussy. Liz had slipped behind me to work my ass. She massaged my shapely firm buttocks and tickled my little tight rosebud. She pried my ass cheeks apart and began to lick my snug bung hole. She had done this to me before but never with a cock in my pussy and another one in my mouth.

I was going wild with the three way sensations. I felt a warm liquid at my puckered opening as Liz applied lube to it. She coated my tiny opening and smeared it around lubricating the rim. She then eased one of her fingers into my rectum and slowly began to finger fuck my ass. I was going wild and picked up the pace sucking Sam's cock as I rocked my body on Mike's thick cock. Liz removed her fingers and pulled the globes of my ass apart planting kisses on them and rimming my anus. Then I felt something larger at the entrance to my ass and I panicked thinking it was Liz's dildo. I was about to protest when Liz appeared at my side and began to rub my tits again.

I felt Sam's rigid cock nestled against the entrance to my asshole before it began to push its way inside me. His cock struggled to stretch my resistant muscles. I felt the head of Sam's penis burrow in and my tight back door soon yielded to the insistant action of his cock. I was steadily being pounded at both ends. The men held me in place with their bodies while Liz's hands freely roamed over my body. I felt an awakening in my body and an overpowering sensation in my holes. All the while Liz simultaneously caressed my breasts and tugged and squeezed my nipples. Suddenly I felt the cock inside my ass swell up and it started pumping faster. Within minutes I felt the warm fluid from Sam's cock being squirted inside my anus and I immediately started to cum myself, my walls convulsed around Mike's intruder fucking my cunt. Mike grunted as his whole body became stiff and soon he began slamming his cock harder into me. I writhed around and my body arched off the bed as a climax of massive proportions tore through my body. I could feel my juices gushing out. I did not want this to stop.

I collapsed on the bed along side Mike and Liz. They both stroked my body as Liz moved lower to suck my pussy. Before long the guys were hard again and ready for more. I again straddled Mike's cock and this time Sam was to have my mouth. I sucked Sam's cock into my mouth and I felt Liz back working my boobs and nipples. I was to take two more man loads in my holes from Sam and Mike. Once again Liz was there to clean my pussy. I felt guilty but good and I was sore but pleasured. I had of mixture of feelings and I struggled with them all.

We rested for awhile and then Mike told me it was time for him to fuck my ass. I was apprehensive, in fact, I was scared. He was too big and too wide and he could injure me. Nonetheless I found myself on all fours with Mike applying more lube to my used asshole. He eased his big dick into me and I gasped as I felt stretched to the

hilt. I could actually feel my stomach cramping around him as he stirred my insides and it burned when I clenched down on him my ass muscles convulsed around his thickness. My head was turned to the side and I watched Liz as she was being fucked by Sam. Shaking and sobbing with painful ecstasy, I tried to fall forward but Mike's hands kept my ass high in the air for him to pound. When he came it was as though buckets of cum were filling my ass, I tightened my hole around him as I tried to adjust to the way he swelled in my ass. As he climaxed, he was the only one who fucked my ass to continue thrusting as he came. I found it incredibly erotic and I came once again.

I had countless orgasms as a result of the activity and I enjoyed each man – and Liz. The taste of cum was still on my tongue and my holes still felt full of sperm. The next morning I went to the restaurant with aching muscles and a sore asshole. I finally made it through the day and went directly home and into a long, warm, soothing, totally manless bathtub.

OBSCENE CALLER

A late-night disc jockey gets a horny honey on the line

Have you ever wondered what disc jockeys do during those long hours between midnight and eight while they play music to screw by? I don't know about the others, but I Jerk off a lot.

Until one night about two weeks ago, it was my little secret. But, that was before I met Susie. It was a typical night at the small mid-west radio station (I own the station). It's so small that I also act as the midnight to eight disc jockey.

It all started with a call from a listener. As usual, I was playing records and thumbing through a porn mag. Naturally, the photos had me horny as hell. As a matter of fact, I was jerking off when the phone rang. There was a sexy female voice on the other end. I get more requests at that hour of the night than you'd expect—and usually the callers are women. Since I'm all alone in the studio I frequently flirt with these lonely ladies.

That night I guess my horny mood carried over the phone. I tried to keep my voice calm, but I was on the verge of coming. "Can I play a record for you, Miss?" I offered, hoping that she'd make a request and hang up so I could have a good hard come. My hand was on my cock as we talked. Her soft sleepy voice only made me hornier.

"What are you doing?" she purred.

There was no way I could tell her the truth so, I tried to change the subject. "Unless you have a request, I really have to go," I sputtered, as I eyed the clock nearing the time when I had to do a spot.

"Are you playing with your penis?" she blurted out.

My answer was a surprised cough. There was no way she could have known, I told myself, as I tried to regain my voice.

"Are you…?" I stammered, almost beyond control.

"Yes," she whispered. "I'm playing with my pussy. I'm gonna come with you. Tell me when."

About that time, the record ended. I put down the phone and did a commercial. It was the fastest spot in history. Seconds later, I had another tune playing for my sleepy audience and I was back on the phone.

My dick was harder than ever, but I was a little calmer. "What's your name?" I asked. "I don't like to come with a perfect stranger," I teased, getting turned on even more by my own words.

"Susie," she giggled. "Please hurry. I'm so juicy, so ready. Listen," she added as she put the phone between her legs and let me hear the squishy sound of her fingers ramming in and out of her slick, ready cunt.

The hot horny sounds of my masturbating mistress blew my mind. But, I didn't want to come. Not yet. I wanted it to last. It was a once in a lifetime experience. I had to savor it. There was no doubt in my mind that if she kept it up, she would talk me "off."

"Taste it," I whispered. "Taste your pussy and tell me what it's like." Lust was my inspiration. I was too horny to worry that she knew who I was and where I worked.

"Sweet," she whimpered. "Sticky, hot and sweet. I wish you could eat me. I wish your tongue was in my pussy right now," she groaned.

Susie was a fantasy come true. A woman that loved phone sex as much as I did. My throat was dry. I could barely speak. My balls ached

for release. But, I held on. "Tell me about yourself, Susie." I gasped. "What do you look like?"

"My hair is long, it's kind of reddish brown, and when I sit up and tilt my head it tickles my clit," she whispered.

"Are you naked?" I asked, as my cock twitched in anticipation of the load I was ready to shoot.

"Yes," she moaned. "Naked and horny. I wish you were here. My pussy itches. Would you like to scratch it with your dick? My clit is tingling. Kiss it for me, please kiss my clit," she begged.

I made a smacking sound into the phone and she screamed. "Yes! Yes! Suck it. Lick my pussy... I'm coming!" My sexy Susie must have come for 10 minutes while I whispered encouragement.

"Thanks," she gasped, when she finally began to calm down.

My dick was so sensitive by time that I dared not touch it. It stood straight up in my lap and throbbed like crazy. I knew that I was one stroke from the biggest explosion of my life.

I described my hair-trigger dick to sweet Susie. The confession made her hotter than before. She sensed exactly what I needed. "If I was there, I'd make you come," she began in a sexy whisper. "I'd kneel between your legs and touch the tip of your dick with my nipples. I'd make sure that I got that sticky stuff leaking from the tip all over them. Then I'd lick my nipples while you watched and drooled."

She was speaking directly to my cock. And it was responding beautifully, jumping and throbbing like crazy. I couldn't believe what was happening. Susie was on the verge of talking me "off."

"Then, I would put my mouth over your cockhead. At first not touching it, but instead just breathing on it with an occasional flick of my tongue. Can you feel my tongue on your dick?" she groaned, obviously busy again fingering her hot juicy cunt.

"Yes, I feel it," I growled, using every ounce of my willpower to keep from putting my hand on my cock and taking the relief that I wanted so badly.

I closed my eyes and pictured Susie licking her way up the throbbing shaft and then gently sucking my sensitive dick into her mouth.

Believe it or not, I managed to play half a dozen songs and do two station breaks while it was happening. I don't remember any of it. My rock-hard prick and Susie's sexy voice had my full attention.

"I want to see you come," she groaned. "I want to feel you in my mouth, to squeeze your dick with my hot pussy."

My mind raced. Common sense told me that it wasn't smart to let her come to the station. Even if I am the boss, I have a reputation in the community to consider. But a stiff dick never was known for making rational decisions. "How long will it take you to get here?" I stammered, not sure how long I could hold back the flood of cum that ached to escape from my bursting balls.

"Ten minutes," she cooed as the hung up.

I tried to distract myself by playing some hard rock, but even though I was no longer touching my cock, it remained hard. I told myself that there was no way that Susie would actually show up.

For the next half hour I was a nervous wreck. I cleaned the place up three times. I did everything but dust the bookcase. Finally, there was a light tapping on the door.

Susie wasn't anything like I expected. She looked more like a school marm than the bubbling sexpot I'd pictured. She came dressed in a trench coat. She had a nice smile and pretty blue eyes, but certainly was no traffic stopper. For a few seconds I fooled myself into believing that I could resist doing something I'd regret. But then she opened that coat and there was nothing on under it. Her tits stood proudly on her chest, begging to be kissed. And her nipples were hard as bullets.

"Do you still want me? She asked in a voice more like a child than the seductress that she'd been on the phone. A few seconds of looking at her naked body and my cock was harder than ever. She smiled as I self-consciously touched the front of my pants, trying to hide my hard-on.

Then the red light came on, signaling me that a song was ending. I sat down and rattled off my piece and cued up another song. When I looked up, Susie was standing beside my desk, looking down at me with

eyes that dripped sex.

"You didn't come yet, did you?" she whispered as she looked down at my lumpy lap. "Can I see your cock?" she blushed.

I pushed my chair back from the table and very slowly and deliberately unzipped my pants. My cock sprang out with more force than even I expected.

"Ooh," she exclaimed as she licker her red, delicious lips and stared hungrily at my dancing cock. Suddenly my plain Jane became a sexpot. I wanted to come so bad I could taste it. I lifted my hips up and made my dick throb for her. "Let me suck it," she smiled as she leaned over my lap. Without waiting for an answer, my naughty nymph was licking the tip of my twitching dick with her tongue.

She teased the piss hole with her torrid tongue while she shrugged her shoulders and let the coat fall to the floor. I cupped her tits in my hands and made her whimper as her mouth opened wide to take my cockhead inside.

The reality was 10 times better than the fantasy. Her mouth was like a vacuum, licking, sucking, and lapping my cock, balls, and ass – especially when I was speaking on the air. Even with the hot-mouthed brunette sucking on my cock, I still had a bit of sense left.

Susie's trained mouth and tongue took me to peak after peak. But each time I was ready to fill her mouth with my hot cum, she would pull away and let me calm down. Meanwhile, she kept one hand busy at all times between her legs, fingering her red-hot cunt. Every time she'd come, her moans on my dick vibrated up and down my spine, testing my willpower to the max.

Finally, my horny little slut stood up and put her slick wet fingers to my lips and let me clean the cunt juice from them. Her pussy tasted like candy to me. So I leaned forward and licked the source. I lapped her from her asshole to her clit about three times before she began to quiver and shake. She locked her hands behind my head and humped her pulsating pussy wildly against my probing tongue as though it were a tiny cock.

Luckily she released me long enough for me to run a commercial. I managed to do it with my face between her legs, licking her pussy between sentences. I still wonder if the listening audience recognized the slurping sound of my tongue sliding over her pussy and clit.

When I could stand no more teasing, I grabbed her tiny waist and lifted her onto my lap. I wasn't in the mood to be talked "off" that night; I wanted to fuck her brains out. Sat first the rocked her silk sheath slowly against my twitching pole. On each stroke, I tried to sink my cock into her warm, wet snatch. But each time she succeeded in dodging my thrust.

Good thing my dick was having the desired effect on her pussy. When she was finally ready, she simply shifted her hips in a quick little hump and impaled her tight tunnel on my spear. She let my cock slip into her cunt inch by maddening inch until my balls touched her ass. Then she sat perfectly still for what seemed like hours.

She waited till I was forced to pick up the mike to do another spot. As I started speaking she started humping. She bounced up and down on my lap. Each time she allowed my dick to practically slip out of her warm snatch before she plunged her body downwards.

She had her teeth clamped over her bottom lip, to stifle any noise as she fucked me with all of her might. Before I could complete the commercial, I felt my balls tighten as the cum raced up my throbbing shaft and gushed into her sucking cunt.

I threw the throat switch and yelled at the top of my lings. My seed splattered the inside of Susie's pulsing pussy. The muscles of her cunt milked what seemed like gallons of sperm from my balls before I recovered enough to cue up another song.

Believe it or not, I only had one complaint about the three minutes of dead airtime that resulted from our little tryst in the studio. I had to fill out a few forms to explain it, but it was totally worth it. It was the best three minutes of my life.

I haven't seen Susie since that night. And I'm not sure that I want to. I don't know if my heart could stand it.

Two to Tango.

Nikky and Sami met up at our studio to take their skills to the silver screen. After spending hours trying to get the perfect recording, once they finished, knew they had a hit. The sizzling video had them sucking, licking, and fucking each other to hot, intense orgasm after orgasm! And that's just the first scene. Imagine how hot the others will be.

Layla and Claire periodically will often surprise each other by inviting another girl to their bed. Today, it's Venday. She showed up horny as hell and ready to go. And it doesn't take much to get the three of them going. First a kiss on the lips, then on the boobs, then on their pussies, then, what's this, fingers?
